Day February

NURSERY AT KAPAHULU

One of the Things the Improvement Club Is Planning.

In accordance with a resolution of the organization, a number of members of Kapahulu Improvement Club assembled yesterday afternoon at the house of the president, Percy M. Pond, and from thence tramped over the district to make observations upon needed improvements. L. R. Medeiros, secretary, was of the expedition, noting the decisions for action at future meetings.

What was deemed the matter of first importance was the necessity of macadamizing Campbell avenue, that thoroughfare being in a very bad state.

Next was the similar need of the Monsarrat road, connecting Diamond Head road and Kapiolani Park with Kapahulu road.

Hydrants formed another crying want. There is but one of these protective articles upon Campbell avenue. More are needed for the security from fire of many new houses lately built in that locality.

A meeting of the club is to be called soon, at which a specialist will give a ten-minute talk on plants and blights. The club is to start a nursery of its own, where trees that will best suit the district will be propagated.

JOHN K. SUMNER A VERY SICK MAN

In response to an enquiry made yesterday by an Advertiser man as to the condition of John K. Sumner, Dr. J. W. McDonald had the following to say:

"About a month ago Mr. Sumner began to develop symptoms of an ataxic paraplegia, gradually losing the power of coordination in the lower limbs, due to senile degenerative changes, chiefly in the spinal cord.

"For some days he was able to walk about, but at present he is confined to bed.

"At no time has he lost consciousness nor does he suffer much pain.

"From the nature of his case and his advanced age, the outlook for his recovery is most unfavorable, still he maintains a remarkably calm and dignified demeanor.

"He talks but little, though he greets his friends and attendants with a smile, and, I believe, realizes the full gravity of his case.

"His condition today is somewhat improved and he is resting very comfortably."

It is pleasant news to all of the many friends of Commander and Mrs. A. P. Niblack (Miss Mary Harrington) to hear that the popular naval officer has been relieved from duty at Honolulu, and he and his charming wife will shortly return to San Francisco, where a month's leave will be spent. Commander and Mrs. Niblack will be the guests of Mrs. Harrington at her home during their stay in this city.—San Francisco Ex.

Deputy Attorney General Prosser will leave for Hilo tomorrow to prosecute criminal cases in the Fourth Circuit Court. Chester Doyle has been ahead of him a week looking after the evidence in cases.

W. W. Hall is on the high road toward recovery from his recent illness.

SHIPPING INTELLIGENCE.
